

# WHY WE SHOULD SUPPORT THE LAKE ARBOR CIVIC ASSOCIATION (LACA)

We have a beautiful neighborhood  
You can see this at a glance  
But what you may not realize is  
This didn't happen just by chance.

We have lovely scenery, bicycle trails  
And a swimming pool!!! And yet that's not all  
We have a golf course, tennis courts  
And there are courts to play basketball.

There are beautiful lakes, historical sites,  
The Arbor Room and Pavilion;  
The Lake Arbor Town Center, a Community Center,  
And **two** new schools for our children!!!

There are so many nice things in Lake Arbor  
This list just contains a few  
But what makes Lake Arbor so beautiful  
Are the wonderful neighbors like you!!

LACA needs your support as always  
To keep our community grand  
So please join the L.A.C.A.  
And lend us a helping hand.

Please kindly take just a moment to complete  
The Membership Form, it's really short  
Then return it with your membership fee  
And we thank you for all of your support!!!
